## **Counterfeit Material Prevention Statement**

To address the issue of counterfeit products, EFC/Wesco pledges the following:

- 1) EFC/Wesco will continue performing extensive quality control testing to eliminate the risk of counterfeit material inadvertently being delivered to customers.
- 2) Materials will be purchased from trusted and qualified Tier 1 Suppliers. Counterfeit Material Prevention Policy documentation will be filed for each of these Tier 1 Suppliers.
- 3) Our customer will always be advised of any issues involving counterfeit products. Discovery of counterfeit material will be reported immediately to all necessary parties (i.e. suppliers).
